

Connecting to remote desktop web-client for LabVIEW assignments

- Open <https://vdi.epfl.ch/> on your browser.
- Follow the instructions on this document

VMware Horizon

You can connect to your desktop and applications by using the VMware Horizon Client or through the browser.

The VMware Horizon Client offers better performance and features.

Install VMware Horizon Client

VMware Horizon HTML Access

To see the full list of VMware Horizon Clients, click here.

For help with VMware Horizon, click here.

Open <https://vdi.epfl.ch/> on your browser and click here.

IC-CO-IN-INJ-2023-Fall

IC-CO-IN-MA-2023-Fall

IC-IN-SC-Turing

IC-Ubuntu-22

IC-Windows-Cours1

IC-Windows-Cours2

STI-EDA-LABS-RTX

STI-WINDOWS10

Login with your SESAME id-password and click here (*STI-Windows 10*).

1. You will be at the remote desktop now with preinstalled LabVIEW.
To open new LabVIEW vi, click here

2. To upload files from your computer, click the slider.

Click here to open file transfer portal

Chose the file and upload

1. The uploaded file will be saved in the “Document” folder of the remote desktop.

2. The files can also be downloaded directly from MOODLE from the browser.
