

Mock exam

Mock exam

Instructions for this exam, please read them carefully:

- Duration: 90 minutes.
- Use Firefox or Chrome.
- All documentation allowed.
- No communication authorized between exam participants and/or with third parties.
- You can slightly increase the font size by changing the zoom in your browser.

Non-compliance with one of these rules, observed during or after the test (logs) may result in the annulment of the scoring of this branch (NA, not acquired).
