

INFORMED CONSENT FORM FOR RESEARCH PARTICIPANTS

Please fill in this form after having read the information sheet and having received explanations about the research project.

If you have any questions about the participant information sheet or the explanations, please ask the researchers before you decide to participate. A copy of this informed consent form must be given to you so that you can keep it and consult it at any time.

Participant's declaration:

- I declare that I have been informed orally and in writing by the Principal Investigator about the objectives and the course of the project, as well as the presumed effects, advantages, possible disadvantages and possible risks.
- I am taking part in this study voluntarily and accept the contents of the information sheet I have been given about the above-mentioned project. I have had sufficient time to make my decision.
- I understand that my personal data is protected and will only be used in an anonymized manner.
- I consent to the anonymization of my personal data by December 5th, 2025, after which I can therefore no longer revoke my consent.
- In particular, I agree to be audio recorded during the duration of the focus group interview session. I understand that this audio will be transcribed into text, and that only the researchers will have access to the audio directly.
