 - One note sheet (single-sided, on A5 paper) that you will write during the preparation (goal = support, ≠reading)
- The main question on the course will be an interview in the style of for example :
 - In a job interview for a senior management position at a Railway Company, you will discuss current challenges, opportunities, risks, and mitigation strategies, focusing on trade-offs rather than detailed technical expertise.
 - Other examples are available in the first course.
- More information will follow by email and on Moodle

Individual oral exam in the January exam period.

Some information.

Please refer to Moodle and following emails

Please check the schedule for the oral exam published on Moodle before the next lecture on 16 December 2025.

Make sure that you are on the list and that you can attend the exam at your assigned time.

Any issues will be addressed during the lecture on 16.12.

If you cannot attend the lecture, please email the teacher and propose another student with whom you can swap your slot, or indicate which of the available time slots would work for you.
