

## ANOUNCEMENT

Dear students

The course "Thermodynamics in energy conversion" starts physically on the 25. February 2025. Due to conferences in Asia the first lecture is prerecorded available on Moodle (no lecture and no exercises on the 18. 2. 2025). Please, download the slides and watch the lecture in the week 17. – 21. February 2025 and we will meet in the second week on the 25. February 2025 in the classroom.

Best regards

Andreas Züttel
