Row 5	29	Shaham Omer Chen
	30	Simondin Blaise Marie André Singa
	31	Tricoli Hugo
	32	Zhang Yang

There are 32 students registered for the exam. You will be arranged in 5 rows as above.

There will be 7 students per row (except for the last row).

Please check in which row you are sitting and then in which column according to the numbering on the list (increasing from left to right starting from the front of the room).

A floor plan of the room will be posted on Moodle. The numbering will also be indicated there.
