

Guide for Downloading and Installing anyLogistix PLE Version

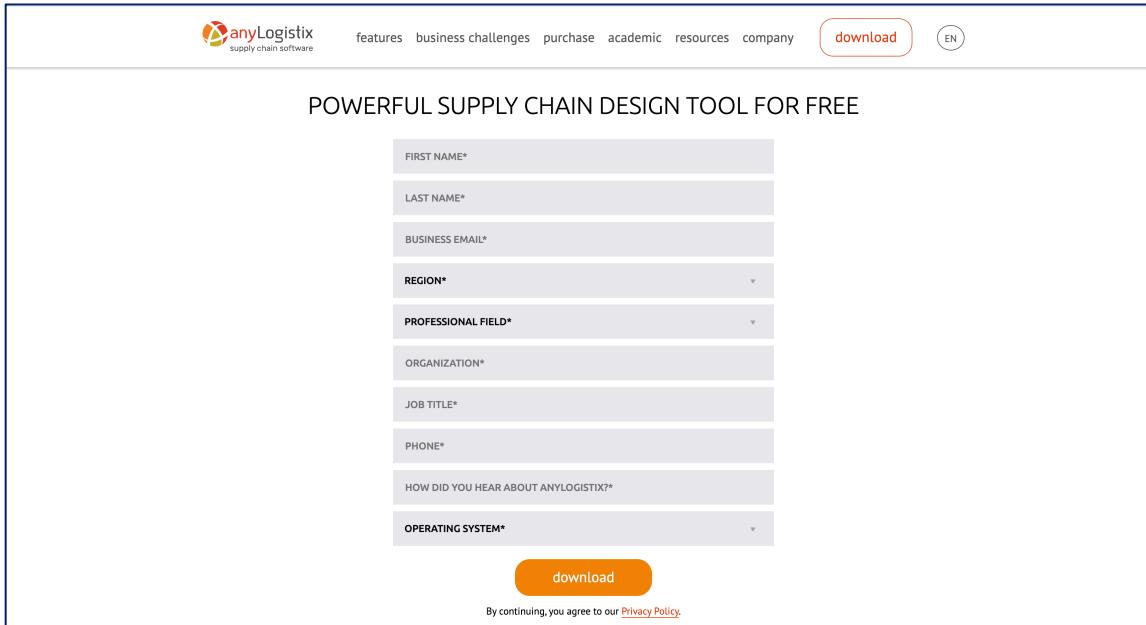

1. Important Pre-Download Information

The Personal Learning Edition (PLE) of anyLogistix is a free version intended for educational and non-commercial use. It grants access to essential features of anyLogistix, enabling you to explore functionalities for supply chain modeling, simulation, and optimization. Before downloading the software, please carefully read the following sections at the bottom of the download page: <https://www.anylogistix.com/personal-learning-edition/>

- **System Requirements** – Ensure that your computer meets the necessary hardware and software requirements.
- **Legal and Technical Information** – Comprehend the licensing terms and technical limitations of the PLE version.

2. How to Download

- **Download Page:** <https://www.anylogistix.com/personal-learning-edition/>
- **Form:** Scroll down and fill out the required form with your details.
- **Operating System:** Please select the correct operation system.
- **Submit:** Click the 'Download' button. The download starts automatically.
- **Note:** If the download does not begin, please check your email.

The screenshot shows the landing page for anyLogistix supply chain software. At the top, there is a navigation bar with links for 'features', 'business challenges', 'purchase', 'academic', 'resources', 'company', a 'download' button, and a language selector 'EN'. The main heading is 'POWERFUL SUPPLY CHAIN DESIGN TOOL FOR FREE'. Below the heading is a form with the following fields: 'FIRST NAME*', 'LAST NAME*', 'BUSINESS EMAIL*', 'REGION*', 'PROFESSIONAL FIELD*', 'ORGANIZATION*', 'JOB TITLE*', 'PHONE*', 'HOW DID YOU HEAR ABOUT ANYLOGISTIX?*', and 'OPERATING SYSTEM*'. At the bottom of the form is a large orange 'download' button. Below the button, a small note states: 'By continuing, you agree to our [Privacy Policy](#)'.

3. Installation Process

- Once the download is complete, double-click on the downloaded file.
- Follow the on-screen instructions to install anyLogistix on your computer.
- After installation, launch the software and ensure it runs correctly.

4. Troubleshooting & Support

If you encounter any issues during the download or installation process:

- Contact the Support: <https://www.anylogistix.com/company/contact-us/>
- If you do not receive a response within 48 hours, please email info@supchainera.com with a detailed explanation of your issue.
