“Protocol” for the exams

- 1) “Entrance time”: The student enters in the room. An A4 exam sheet with written questions is given to the student.
- 2) “Entrance time” to “Start time”: The student answers in written form to the questions directly on the given A4 exam sheet. No material is allowed (course notes, other notes, books, internet connection, ...are not allowed).
- 3) “Start time” to “End time”: The student discusses with the examiners and complement in oral and written form the written answers. Additional questions might be asked to the student by the examiners.
- 4) “End time”: The student leaves the room.

Each student is free to swap the time of the exam with another student contacted by them. The exchange must be reported by email to teachers no later than 11.06.2025 (juergen.brugger@epfl.ch, christophe.moser@epfl.ch).
